## 2020 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS Commercial Township # 3

FISCAL YEAR: January 1, 2020 to December 31, 2020

Answer all questions below. Attach additional pages and schedules as needed.

- 1. When is the Fire District's annual election? (February and/or November) If November, was the resolution submitted to the Division? February 2020
- 2. Complete a brief statement on the 2020 proposed Annual Budget and make comparison to the 2019 adopted budget. The amount to be raised by taxation for 2020 will be \$467,828, which is an increase of \$27,095 over 2019. The increase to the tax levy will be used to help fund the appropriation to the Reserve for Future Capital Outlay and operating needs.
- 3. Explain any variances over +/-10% for each line item. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. There was one change in the administration appropriations and three operating and maintenance appropriations that exceeded a ten percent change from the 2019 Budget. This is due to an increase in the insurance, training and professional services line items.
- 4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget. The Unrestricted Fund Balance was reduced by more than 10% for the following reasons: the beginning Unrestricted Fund Balance includes \$599,897 held in escrow by a financial institution for the purchase of a 2018 fire truck on behalf of the District. During 2019, the financial institution completed the purchase of the fire truck and subsequently closed the escrow account.
- 5. Does the Fire District plan on exceeding the Levy Cap? If so, please provide a statement with the reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum. The District will not exceed the Levy Cap limit.
- 6. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance to be used in the 2020 proposed operating budget, explain the reason and purposes of the appropriation. N/A
- 7. Complete a brief statement on the Annual Budget's proposed capital appropriations including debt service for the proposed budget year and for future years. The District appropriated \$20,700 for the Reserve for Future Capital Outlay. This appropriation was funded through \$8,700 of accrued interest from the escrow account established in the District's name to purchase a 2018 fire truck. The remaining \$12,000 was funded through the increase in the tax rate. 2020 debt service appropriations represent the continuation of the 2012 and 2018 capital leases.
- 8. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to  $\underline{N.J.S.A.40A:14-78.6}$ , then explain the reasons for the occurrence of the deficit.  $\underline{N/A}$
- 9. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts. N/A

10. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$135,291,000
Proposed Tax Rate per \$100 of Assessed Valuation	\$.346

11. Is the Fire District providing for a first-year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof? N/A

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount? N/A
