2021 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Commercial Township FD No. 3

FISCAL YEAR: January 1, 2021 to December 31, 2021

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. When is the Fire District's annual election? (February and/or November) If November, was the resolution submitted to the Division?
2. Complete a brief statement on the 2021 proposed Annual Budget and make comparison to the 2020 adopted budget.
The amount to be raised by taxation for 2021 will be \$475,411, which is an increase of \$7,583 over 2020. The increase to the tax levy will be used to help fund the increase to the Reserve for Future Capital Outlay of \$5,000 and other operating needs. In addition, the District shall increase the tax rate from 35.2 cents in 2020 to 35.7 cents in 2021. The tax rate increase is for the purpose of funding various increases in costs of operations, as well as to increase the reserve for future capital outlay.
3. Explain any variances over +/-10% for each line item . Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.
There were four operating and maintenance appropriations that exceeded a ten percent change from the 2020 Budget. This is due to an increase in the insurance, training and professional services line items. These line items are utilities, telephone, dues and subscriptions and building repairs and maintenance. However, the net impact on the operational budget was only \$6,500. In addition, the reserve for future capital outlay increased \$4,300 or 20.8% and shall be used to ease the taxpayer burden on future capital purchases. Lastly, debt service principle and interest decreased by greater than 10% but this was in alignment with the amortization schedule.
4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.
The Unrestricted Fund Balance is not projected to decrease by more than 10% in 2021.
