2019 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Commercial Township # 3

FISCAL YEAR: January 1, 2019 to December 31, 2019

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2018 proposed Annual Budget and make comparison to the 2017 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. There were no changes in administration appropriations and three operating and maintenance appropriations that exceeded a ten percent change from the 2018 Budget. However, the net increase from these appropriations was only \$2,500 and is intended to help fund the increasing operating needs of the District. There are no capital appropriations in 2019 as compared with \$121,540 in 2018. Debt service increased \$98,204 from 2018, resulting from the new firetruck lease purchase in 2019. The new debt service was approved by the Local Finance Board on November 8, 2018.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget. The tax rate is planned to increase by one cent, from 31.3 to 32.3 cents per \$100 of assessment. The tax rate increase will be used to support the new debt service incurred from the 2019 firetruck lease purchase. While Surplus is decreasing by more than 10%, the District has sufficient unreserved fund balance for future budgets as a result of the planned tax rate increase. In addition, the old debt service from the 2012 capital lease will be reduced by \$25,555 in 2020, which in turn will reduce the amount of unreserved fund balance currently needed to support the budget.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum. The District is in compliance with the Levy Cap.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation. None for 2019.

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years. While no capital appropriations are needed for 2019, the District has appropriated an additional \$98,204 in debt service as a result of the 2019 firetruck seven year capital lease, which was approved by the Local Finance Board on November 8, 2018.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit. N/A

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts. N/A

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$ 136,460,800
Proposed Tax Rate per \$100 of Assessed Valuation	\$.323

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof? NO

If the public question is defeated, is the Board of Commissioners aware that the budget must be amended to delete the LOSAP appropriation amount and that the Amount to be Raised by Taxation to Support the Budget must be reduced by a like amount? N/A
